Medicare Payments Operating Budget

Appropriation 139000

Department Mission

The Medicare Payments appropriation supports federal regulations that extend mandatory Medicare coverage to municipal employees. Federal law requires the City of Boston and County of Suffolk to pay the Social Security Trust Fund a Medicare insurance premium amounting to 1.45% of an employee's salary up to \$125,000 for each employee hired after March 31, 1986. The Medicare Payments appropriation reflects the amount of this contribution. The City's payment is matched by an equal contribution from the employee.

Purchasing Division Operating Budget

Kevin Coyne, Purchasing Agent, Appropriation 143000

Department Mission

The mission of the Purchasing Department is to purchase the best quality products at the lowest possible price and to deliver those products to City departments promptly. The department is also responsible for surplus property, processing mail, providing copier service and publishing the City Record.

Selected Performance Strategies

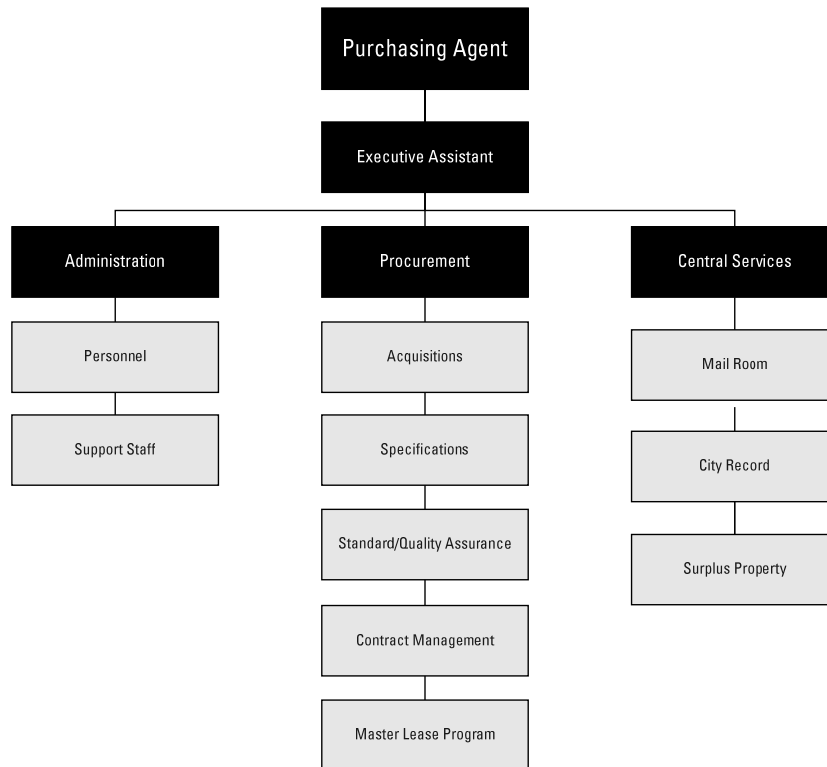

Procurement

- The Procurement Office in the City of Boston uses a 100% electronic format. Creating a contract should be a seamless and relatively quick process. This is achieved by continuously monitoring and reviewing this process.
- To display the percentage of savings the departments are able to achieve from request to the time of order.
- To measure the amount of time that it takes to produce a purchase order (should be less than seven days). There are certain cases where there is need to be publically bid, and it will be longer.
- To simplify conducting business with the City of Boston. To provide an exceptional experience and a superior level of customer service for all vendors. To supply support to vendors at all stages of procurement.

External Funds Projects

Community Preservation Act

Project Mission

The Massachusetts legislature passed the Community Preservation Act in 2000. The law gave individual cities and towns authority to mount a ballot campaign to add a surcharge on real estate taxes to fund affordable housing, parks and open space improvements, and historic restoration. Boston voters approved the ballot initiative in November 2016 to adopt the Community Preservation Act. By adopting the CPA, the City created a Community Preservation Fund and finances this fund in part by a 1% property tax-based surcharge on residential and business property tax bills. Beginning in FY18, funding will be available every year for affordable housing, parks and open space improvements, and historic restoration. Additionally, a statewide Community Preservation Trust Fund gives cities and towns that passed the act a “match.” Real estate transfer fees from across the state provide money for the Trust Fund.
